

Dear Parents,

Our teachers will be creating Shutterfly accounts for their classroom. With this account, parents can stay connected with their child and see what they are doing in class.

There will be photos, weekly blogs of class activities and calendar reminders. This is a great opportunity for parents to get a glimpse into your child's day. This is also a fantastic way for parents to get connect with other parents in the class!

Please note that only members can view this site and will not be made public. Please fill out the below photo permission slip to allow your child to be included in this opportunity to stay connected with your child, their teachers and the class!

I give permission to **Victoria Children's Group** and their teachers to include my child, _____ to the class Shutterfly account. All photos will only be accessed by invited members by Victoria Children's Group and their teachers.

Please include the following email address(es) to the Shutterfly account:
